Pay Plan Explained

At Basal Industries, earnings are built on two plans: the gold matrix plan and the black gold plan. Together, they provide both individual growth and team-driven success.

HOW IT WORKS

1) Gold Matrix pay plan

. Example: You purchase the plan with just \$1000.
As cycles complete, this plan generates around \$450.

2) Black Gold Pay plan

. Example: You purchase the plan with just \$25000.
As cycles complete, this plan generates around \$56000.

Dual Earning Advantage

What makes Basal Industries unique is the ability to earn from both systems at once:

Unlimited re-entries
keep your cycles
active.

The Black Gold plan
accelerates income
through long-term.

The Gold Matrix
plan ensures
steady growth.
